TASK 3

CHOOSING A COURSE

There are over 50,000 courses on offer in the UK. Choosing one is an incredibly difficult, but also a very exciting task. It is important to choose a subject you enjoy.

Complete the questions to help you think about which course might be the most suited to your interests.

Once you have completed this task, take look at the 'Discover more' links on the email to check out some of the courses you're interested in!

What is your favourite subject(s)?

What do you like to do in your spare time?

Do you have a career in mind when you are older?

Write down all your interests:
