This week the theme is

STUDENT SOCIETIES

Design your own society

A chance to be as creative as possible and think outside the box!

- 1. Create a poster for your society.**
You can do this on a piece of paper and send us a photo by email.
- 2. Complete the grid** on page 2 with as much detail as possible
- 3. Make a video** of yourself pitching your society to us and email it to us - why should we choose your society? The video only needs to be a minute long.

If you ticked 'I do not consent' to sending us a video on the sign-up form, then please just send us a written pitch which encapsulates your society in a few sentences. There is space to write this on page 3 of the worksheet.

There will be a prize for the best society and we'll be taking into account the poster, grid and video. Good luck!
