

Gear Up is a free workshop delivering impartial information on the range of progression routes available to students post-16.

During this interactive session students will be introduced to a host of valuable websites and resources which will help them navigate their next steps, whether this is going onto higher education, further education, apprenticeships or employment.

**FREE VIRTUAL
WORKSHOP
FOR STUDENTS
IN YRS 9-13**

Students will complete activities in Gear Up workbooks to help them research information that is bespoke to their educational or career pathway. Due to Covid-19, we are currently only able to deliver Gear Up virtually.

VIRTUAL WORKSHOP

- ✓ A live workshop delivered by a member of the Study Higher team using your preferred digital platform.
- ✓ Students will receive interactive digital workbooks with activities to complete throughout the session and beyond.
- ✓ The workshop can be delivered whenever suits you and lasts for a maximum of one hour.

WHAT DO WE NEED?:

The workshop requires students to access the internet using either a computer or mobile device.

STUDENTS WILL:

- Discover the various pathways to higher education, further education or employment.
- Research different careers and map out their own future.
- Explore apprenticeship opportunities in their area.
- Navigate useful websites for information specific to their career and educational pathways.
- Understand the differences between qualification levels.
- Gain an understanding of the benefits of apprenticeships and degree apprenticeships.
