Teacher-led Virtual Class Workshop

What is Bitesize Passport Day?

Study Higher have developed a series of free virtual workshops for students to carry out as a class. These workshops encourage students to think about their next steps after their GCSEs and their future education options. Each workshop will include an email introducing the topic, a short video from one of our student ambassadors and a digital worksheet for students to complete. Each workshop should take about 30 minutes to complete.

BITESIZE VIRTUAL WORKSHOPS

Workshop 1: Comfort Zones – discover why stepping out of your comfort zone is beneficial.

Workshop 2: Benefits of Going to University & Choosing a Course – learn more about how going to university can benefit you and how to navigate choosing a course.
