Social events

Free to
attend!

Have you experienced being in care? If so, this is for you!

An exciting programme designed to give care-experienced young people in Buckinghamshire, currently in years 9-13, an insight into the educational pathways available after school, such as apprenticeships and university. This inspiring and fun programme builds confidence, providing first-hand experience of student life and the opportunity to socialise with other young people in similar circumstances. Future Pathways is completely **FREE** to attend, including transport and all refreshments.
