

STEM FUSION

Wednesday 21st May 2025, 10.00 – 14.30

Buckinghamshire New University
Aylesbury Campus

**SAVE
-THE-
DATE**

For students in Years 9 & 10 from Caribbean,
Black African, and mixed heritage backgrounds

The Pioneers programme works with young people from ethnic minority backgrounds, empowering them to make informed decisions about their higher education options and future careers.

The event is **free with lunch and transport included**

An inspiring event designed to raise awareness of STEM roles and opportunities among young people from Caribbean, Black African, and mixed heritage backgrounds. Discover the exciting world of STEM, gain insights into higher education and career pathways, and connect with inspirational role models who have excelled in these fields. The full schedule is TBC and will be shared in advance.

**Contact your
school to sign up!**
